PRESIDENT'S MESSAGE

by Aida Q. Torres, EA

September is the busiest month for Partnership, Non Profit and LLC Tax Return filing! Hope, everyone has survived that filing deadline! And October is the Corporation and Individual extended filing deadline too!

I attended the IRS Tax Forum held in San Diego September 13 – 15, 2016. One of our Directors, Mirasol Neufeld was with me, sharing the accommodations with which we had a bad experience. The “Hotel” had our reservation since July, 2016. We were given the farthest room, on the 2nd floor with no elevator. We’re expecting to have a clean, neat and congenial for our mind and body for a full three (3) day seminar! But to no avail; the walk way was dirty and the room, was the worst room we could have had! So that same night, because we had arrived late, we checked out. And after Mirasol argued with the Manager, we were not charged a penalty for this! Fortunately, the gentleman assisting us, referred us to the “Hilton Garden,” a newly built hotel, only a year old and the rest is history.

Our 2016 Tax Talk is scheduled for Nov. 2nd, 3rd, and 4th – 8:00 AM – 5:00 PM. Flyer (see the end of this Bulletin) and on-line registration are now available. Take advantage of the early-bird discount by registering on or before 10-15-2016, 3 days for \$550 for members and receive 24 hours of Federal CPE. And new this year, we have pricing to attend for any single day for \$200 for members and 8 hours of Federal CPE, any 2 days for \$375 and 16 hours of Federal CPE or all three days. We have great speakers, Beanna Whitlock, EA, Vicki Mulak, EA, CFP, Cynthia Leachmoore, EA and Gerry Pusateri, EA, plus breakfast, lunch and snack included and conveniently located at the Holiday Inn in Dublin! See you all there!

One of our Board Members is looking into setting up a Shred Fest for later this year which will be open to both members and clients. Watch for more information about this on our website and in the Bulletin as to location and pricing! I am looking forward for this myself!

At our September 21st meeting, we presented one of our volunteer members, Robert Seymour, EA “Bulletin Editor” for two (2) consecutive fiscal year 2014-2015 and 2015-2016 with a plaque in grateful appreciation of his wonderful work in communication, advertising, and editing our newsletter, for the good of the Chapter! Our new volunteer to continue this much needed service to all our members as “Bulletin Editor”, we welcome Gail Stan, EA! Let’s give her, a round of applause and strength for she is our “2nd Vice President,

Membership & Communication Chair and Bylaws/SOP Chair!

We welcome our three new Directors, Mirasol Neufeld, EA for a two (2) year term and Ralph Nelson, EA and Lourdes Rabara, EA (thank you, for deciding to join us) for one (1) year terms. Both Mirasol and Ralph transferred from Golden Gate Chapter. We appreciate having them share their knowledge and experience to bring our Chapter to the next level and help us meet our goal as “**Chapter of the Year**”!

September 21st was our “**Member Appreciation Night**” for all our existing EA Members and incoming New EA’s members, counting to 301 who live in 50 different cities/towns in California and climbing! A good sign and progress at the beginning of this fiscal year, we have 29 new members added to our Chapter! We welcome you all and we appreciate and enjoy this night of celebration! Thank you, for you are all part of our Chapter!

EBAEA MEMBERSHIP

by Gail Stan, EA

As I mentioned last month, to help you get to know our members, we are going to be running profiles of some of our members in each issue of the Bulletin. Each future issue will have a profile of at least one Officer or member of the Board of Directors and one or two general members. If you are interested in being profiled, see the template later in this Bulletin – fill it out and return it to the editor at EBAEA.Editor@gmail.com and you can send a photo of yourself if you would like to have it included with your profile - it will help the members know who you are!

We want to reinstitute a previous tradition of giving each new member of EBAEA a Membership certificate. If you have never received an EBAEA Membership Certificate, please send an email to Gail@gailstantaxes.com and I will get one for you. You will have to come to a meeting or other EBAEA event to receive it as we don’t have a budget for mailing them.

BULLETIN ADVERTISING POLICY

by Gail Stan, EA, Bulletin Editor

To encourage more Members to use the Bulletin to fill their needs, we present the Bulletin advertising policy:

1) All Bulletin notices are run for one issue. If you wish to run a notice for a longer period, you must resubmit the notice for each issue. *(In past years, the bulletin has been issued monthly except for April. Beginning with this issue, the Bulletin will sometimes be monthly and sometimes two months will be combined. September and October 2016 will each be monthly but November/December will be a combined issue.)*

2) Maximum notice size is 1.5 column inches. This equals a space one and one-half inches high by one column (3.5 inches) wide. The standard Bulletin font is Times New Roman 11 point.

3) The Bulletin Editor reserves the right to edit any notice for style, content and length.

4) All notices must be submitted (and payment received) by the 25th of the month prior to initial publication. Send desired text to: EBAEA.Editor@gmail.com.

5) Member EA notices seeking or offering employment, clients or EA-practice-related matters are run at no charge as a Member benefit. This includes an ad run by a firm which employs a Member. Member notices offering other services or products, and all non-Member notices are run at the standard fee of \$50 per issue insertion. *(Professional Affiliates and Professional Associates are considered non-Members for advertising purposes.)*

The Bulletin Editor reserves the right to modify or reject any notice which, in the sole opinion of the Editor, violates any of the principles of EBAEA.

“Tax Day is the day that ordinary Americans send their money to Washington, D.C., and wealthy Americans send their money to the Cayman Islands.”

Jimmy Kimmel

“Children may be deductible, but they are still taxing.”

“Worried about an IRS audit? Avoid what's called a red flag. That's something the IRS always looks for. For example, say you have some money left in your bank account after paying taxes. That's a red flag.”

Jay Leno

“Why does a slight tax increase cost you two hundred dollars and a substantial tax cut save you thirty cents?”

Peg Bracken

“The Taxpayer’s prayer: Oh Mighty Internal Revenue Service, who turneth the labor of man to ashes, we thank thee for the multitude of thy forms which thou hast set before us and for the infinite confusion of thy commandments, which multiplyth the fortunes of lawyer and accountant alike”

Russell Baker

Tax Facts

The IRS sends out 8 billion pages of forms and instructions each year. Laid end to end, they would stretch 28 times around the earth.

Nearly 300,000 trees are cut down yearly to produce the paper for all the IRS forms and instructions.

American taxpayers spend over \$200 billion and 5.4 billion hours working to comply with federal taxes each year, more than it takes to produce every car, truck, and van in the United States.
